

APPENDIX 1: The list of Japanese companies implicated (or highly possible to be implicated) in the destruction of Canada's pristine temperate rainforests by purchasing wood products directly or indirectly from Interfor. Two hundred and twenty-nine companies in total are sorted in alphabetical order, except for 14 companies in Canada/USA (in *italics*) that are listed below their parent companies in Japan. "Kabushiki Gaisha" stands for "joint-stock company" in Japanese.
